#### 1<sup>st</sup> CITY Race Villach with a RACE Party at the FreizeitBASE Villach - the Boardercross competition for iSUPs on the river Drau.

In 2023 we will not just rock the lake. Directly at the River Drau, and right in the center of Villach's old town, spectacular boardercross style races will take place on standardized iSUPs. Both amateur and elite-level paddlers can participate in the knock-out races multiple times. In this process, through a promotion and relegation system, each participant's ranking positioning will be paddled out. Everything will take place at the heart of Villach's city center, including DJs embedded in the urban "Fan Arena" located between the old town and the Villach Congress Center.
